AIRSAFE TRANSPORT TRAINING DANGEROUS GOODS TRAINING COURSE Marine Order 41 (*Carriage of dangerous goods*) 2017

I, the undersigned, Ali AZFAR, hereby accept the dangerous goods training course identified below, for the purpose of complying with the requirements of:

Division 5 of Marine Order 41 (Carriage of Dangerous Goods) 2017.

The requirements of which give effect to the mandatory training requirements for shore based personnel as prescribed in:

Chapter 1.3 of Volume 1 of the International Maritime Dangerous Goods Code (2018 edition)

This acceptance relates to the "AMSA Accepted" training that is to be provided to shore based personnel who undertake any of the following functions:

- i. Packing of dangerous goods, [including those that supervise the packing of Cargo Transport Units];
- ii. Marking, labelling or placarding of dangerous goods; and
- iii. Preparing and signing transport documentation [shipper and container packing declarations]

This acceptance is issued in respect of the following training package and cannot be applied to similar packages, or different versions of the same package, by analogy. If accepted, such packages will be subject to a separate certificate:

PROVIDER: AIRSAFE TRANSPORT TRAINING
(ABN 81 755 280 402)

PACKAGE TITLE AND VERSION: DG by Sea Full – Classroom - Initial

ADDRESS: PO Box 347
Cloverdale WA 6985
Australia

This acceptance is subject to the following conditions:

CONDITIONS:

- 1 This acceptance only relates to the classroom version and requires **the pass mark of 80% to be achieved.**
2. This certificate is issued in respect of the 2018 edition of the IMDG code – which will be in effect until 31 December 2021. After that date the certificate must be endorsed by AMSA for the subsequent edition of the IMDG Code.
3. When the course material is updated for the next edition of the IMDG code, an AMSA assessment and verification audit of the updated course material will be required. AMSA will endorse the certificate for the relevant edition of the IMDG Code when satisfied the course

material meets the requirements of the updated Code.

4. Where the specified package is employed to comply with the training requirements of Chapter 1.3 of the IMDG Code, the trainer is to ensure that every student has available a copy of the IMDG code mentioned in either condition 2, or in a completed AMSA endorsement, that is in either voluntary or mandatory effect. There is to be evidence that this has been complied with and this is to be available for audit to a surveyor upon request.
5. Where the Webinar method is employed to comply with the training requirements of Chapter 1.3 of the IMDG code the trainer is to have a system in place that ensures students can be identified and ensures the individual in question has completed the assessments. Details of this system are to be documented and available for audit by a surveyor upon request.
6. The certificate number of this acceptance certificate is to be included on all training records issued in relation to it where the training is to be relied upon by shore based personnel engaged in the transport of dangerous goods intended to be shipped by sea from Australia
7. A copy of this acceptance certificate is to be provided to users of the training course upon request.

The acceptance certificate shall remain valid for **AIRSAFE TRANSPORT TRAINING** until **31 December 2027**, unless withdrawn earlier, provided verification audits with dates listed below are carried out prior to new editions of the international Maritime Dangerous Goods Code coming into effect.
